DEDICATION

"Except the house (or school) be built on a firm foundation it shall fall." Shenango owes the firmness of its foundation to the dedication of Mr. Glenn W. Johnston, affectionately known as "Pop."

Pop has united our community, school system, faculty, and administration. In appreciation of this, the Senior Class of 1965, as well as the student body, dedicates the Tomahawk to this altruistic educator.

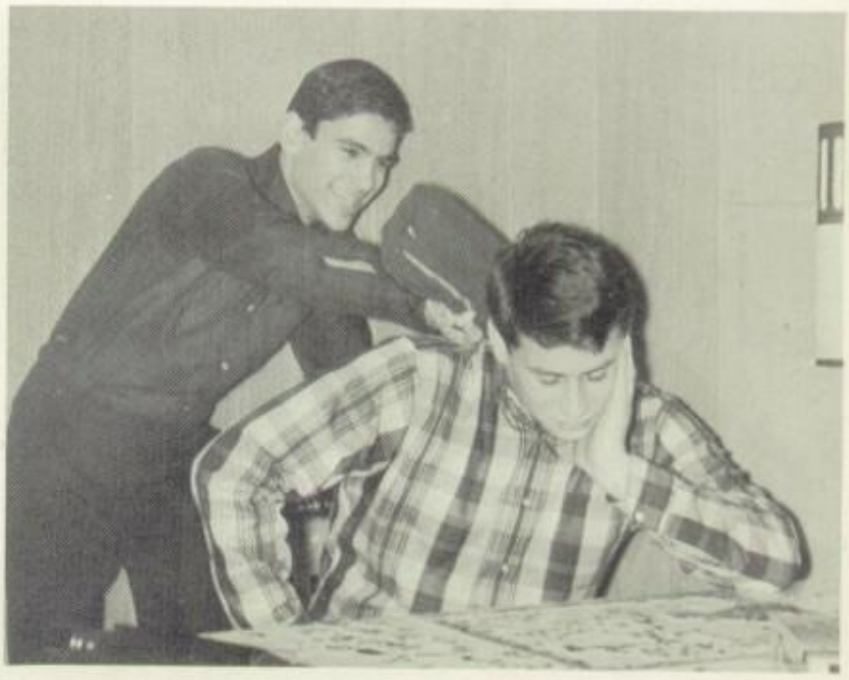
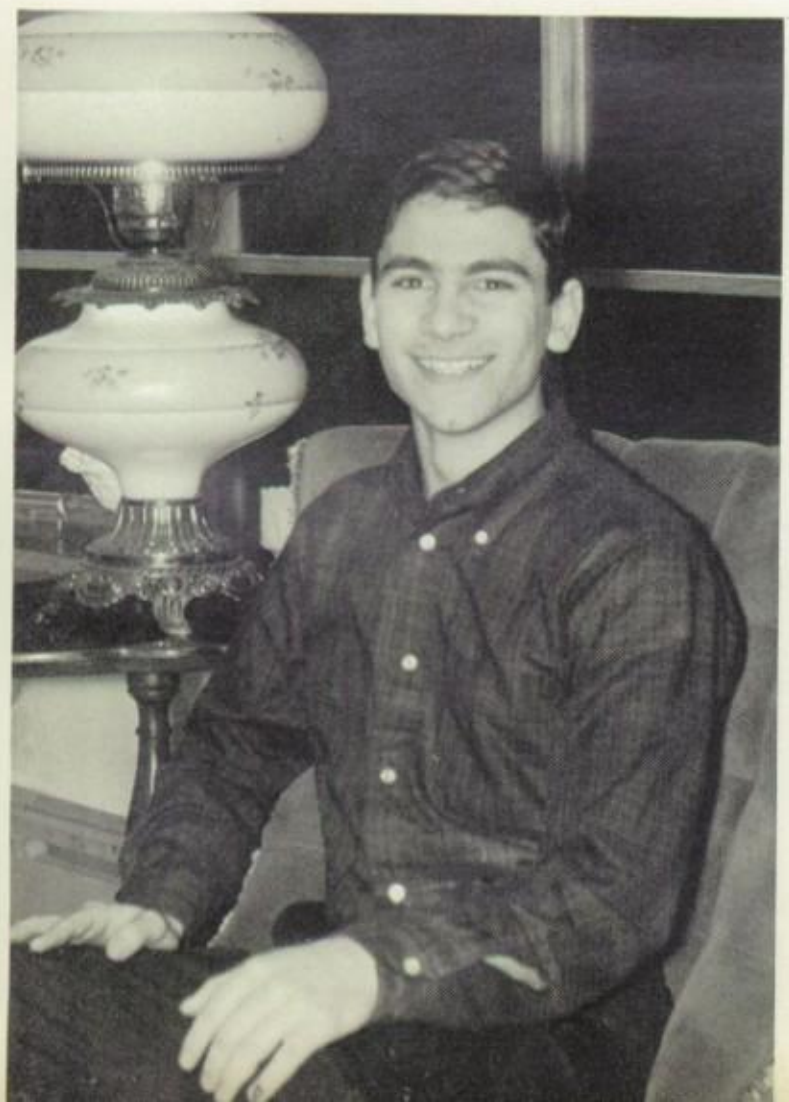
Mr. and Mrs. Harry Crisci, Bob, and Jorge

Guess who missed the punch line?



Typical "American" brothers.

Smiling George



There are not enough words to tell about all the nice experiences and events that I have had here, but the most important of all is the knowledge and understanding of people that I have acquired living side by side with Americans. I will remember this all my life.

Thanks, thanks for everything.

IN MEMORIAM

RICHARD NELSON

AWAY

With a cheery smile and a wave of hand,
He has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh you who the wildest yearn
For the old time step and the glad return
Think of him faring on, as dear
In the love of There as the love of Here.

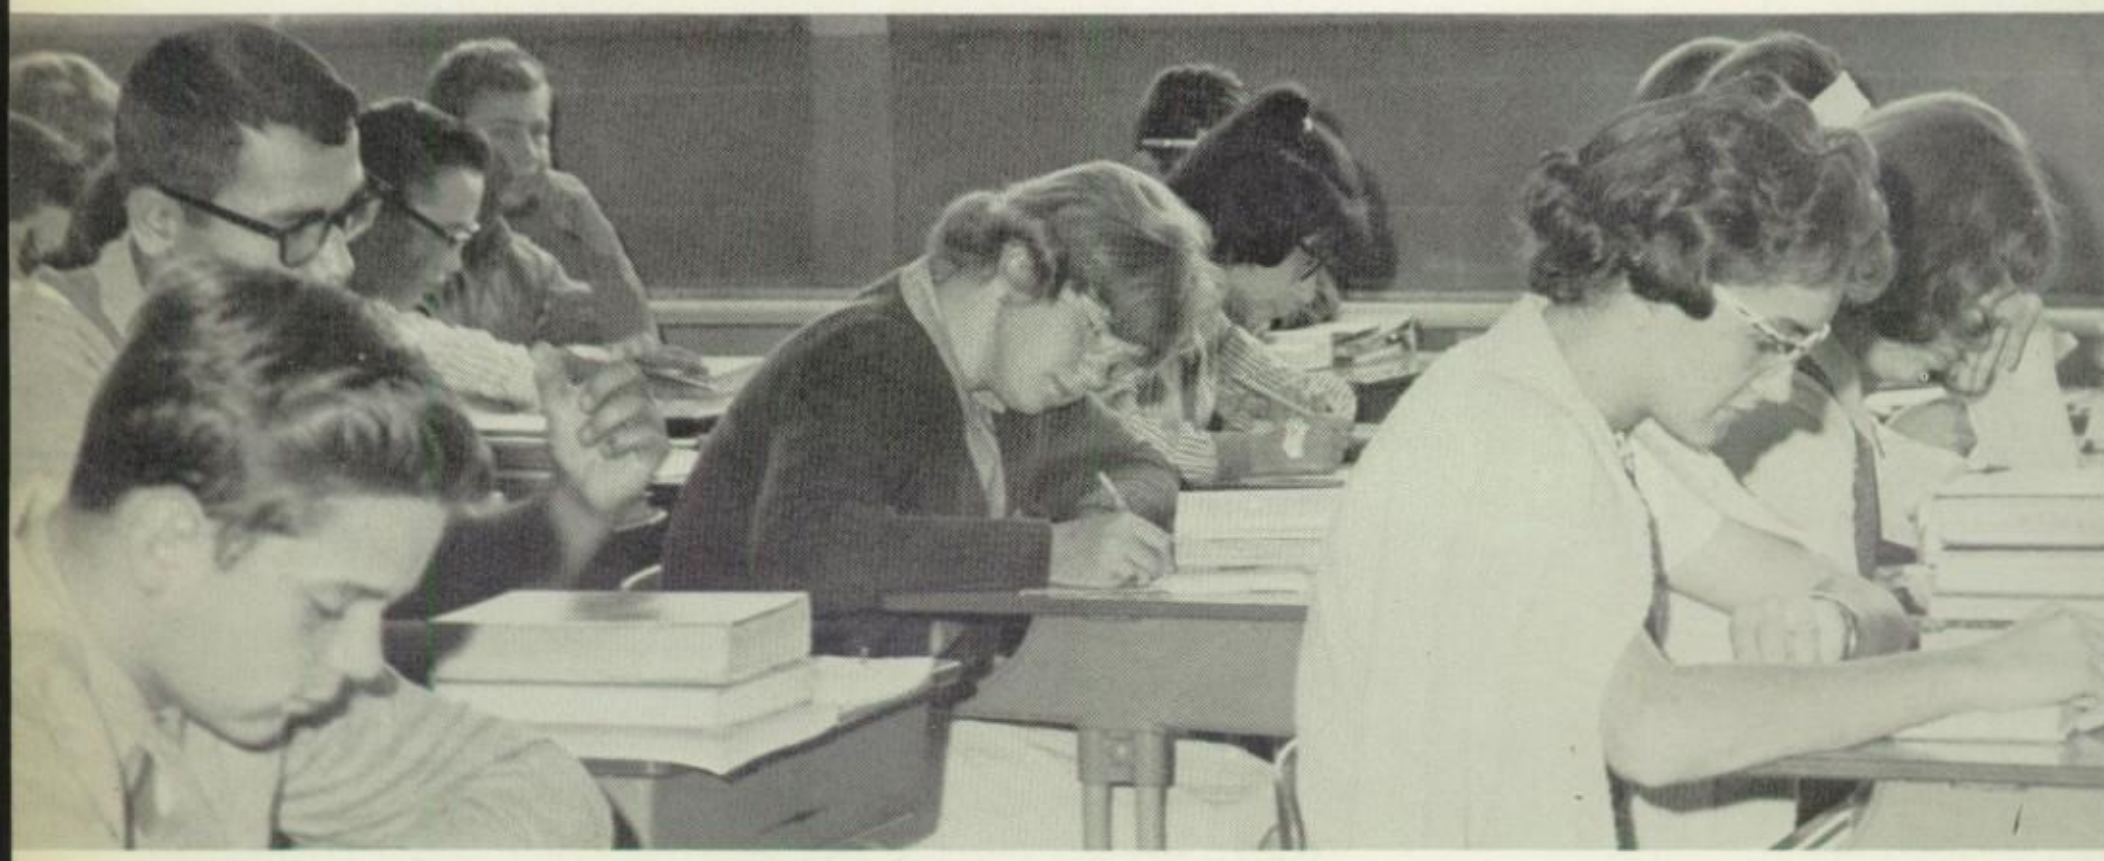
A swinging twosome

You're right: it's not the head!!



They're really studying?

Occupation—ice cream seller

You're kidding me!

Assembly's over; time to go.

Did someone hear a flat note?

Take me to your leader.

ANNUAL STAFF

As we have been guided by capable leaders, as we have learned and grown through better sportsmanship, and as we have laughed and cried our way through moments of joy and defeat, we have lived our last year of Shenango High School.

In this TOMAHAWK, we have tried to show you S. H. S. as a pictorial and literary review of the previous year, each tied together reminding us that *unity* is our *pathway* to *success*. To the senior, the book represents a view of their years in high school at work and at play; to the underclassman, the book represents a view of the events and activities they will be experiencing in the years to come; and altogether, through unity, this book has a meaning by which all thoughts will be combined and centered on the memories of S. H. S.

With this in mind, the annual staff has set out to put this yearbook together, recording the year's events. In this particular light, each will see what he has done to contribute to the making of this book.

Special thanks go to Mr. Joe Kwolek, Shenango's annual photographer.
